Dear Adele

RE: CHEERS FARM DEMOLITION

Just a brief note to thank you for the excellent service we received from your company during recent demolition works at Cheers Farm.

We found your staff on site to be very friendly and extremely proficient in the demolition process. We were also pleased that all the aspects of Health and Safety had been covered in full.

Manorgate Homes will certainly be calling on your services again in due course!

With thanks and appreciation

Darren Surman
