To Whom It May Concern

Dear Sirs,

I am writing as an existing client of Wycombe Skip Hire & Demolition.

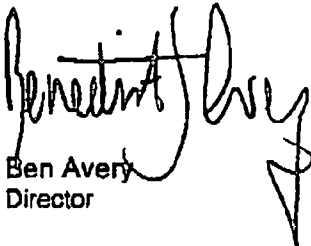

Having carried out both demolition contracts and waste removal for us, we are delighted to recommend them as a company. The service they provide is efficient from site survey to actual works being carried out.

As a smaller company it is important that we can rely on suppliers for professionalism in respect of Health & Safety, responsibility with Waste Management and value for money at point of quotation. Wycombe Skip Hire & Demolition manage to achieve those criteria to our high satisfaction.

In addition, the flexible problem solving attitude and friendliness of all the staff make them easy to deal with on a day-to-day basis.

Should you require further information please do not hesitate to contact me.

Yours sincerely

  
Ben Avery
